# PROJET DE MOUVEMENT anonymé

## Comment lire ce projet de mouvement ?

Vous pouvez retrouver l'ensemble du projet de nominations tel qu'il nous a été transmis par l'administration.

Pour chaque école, vous pourrez trouver l'ensemble des affectations qui pourraient avoir lieu avec les barèmes et priorités associés. Vous pouvez ainsi comparer avec vos vœux et barèmes et éventuellement repérer des anomalies. Si tel est le cas, il faut absolument nous le signaler : [snu92@snuipp.fr](mailto:snu92@snuipp.fr) et à l'administration [ce.ia92.d1d1@ac-versailles.fr](mailto:ce.ia92.d1d1@ac-versailles.fr)

Exemples d'erreurs ou anomalies repérables :

- Je constate qu'un collègue est nommé sur un poste dans une école que j'ai demandé avec un barème inférieur au mien.
- Je constate que ma priorité n'a pas été prise en compte, bien qu'accordée lors de la CAPD.
- Je constate que le nombre d'affectations dans une école est supérieur aux postes vacants. Cette liste est bien évidemment loin d'être exhaustive. Une rectification d'erreurs ou d'anomalies peut avoir des incidences sur plusieurs affectations et donc sur plusieurs collègues. Le projet d'affectation qui vous a été communiqué est donc à prendre avec précaution.

**Codage : TD = Nomination à titre définitif – TP = Nomination à titre provisoire – P = Priorité}**
