

PROJET DE MOUVEMENT anonymé 2018

Comment lire ce projet de mouvement ?

Ce projet des affectations anonymé a été élaboré par les délégués du personnel SNUipp-FSU92 à partir des documents de travail fournis par l'administration pour préparer la CAPD.

Pour chaque école, vous pourrez trouver l'ensemble des affectations qui pourraient avoir lieu avec les barèmes et priorités associés. Vous pouvez ainsi comparer avec vos vœux et barèmes, et éventuellement repérer des anomalies. Si tel est le cas, il faut absolument nous le signaler à snu92@snuipp.fr.

Exemples d'erreurs ou anomalies repérables :

- Je constate qu'un ou plusieurs collègues sont nommés sur un poste dans une école que j'ai demandé avec un barème inférieur au mien.
- Je constate que ma priorité n'a pas été prise en compte, bien qu'accordée lors de la CAPD.
- Je constate que le nombre d'affectations dans une école est supérieur aux postes vacants.

Cette liste est bien évidemment loin d'être exhaustive. Une rectification d'erreurs ou d'anomalies peut avoir des incidences sur plusieurs affectations et donc sur plusieurs collègues. Le projet d'affectation qui vous a été communiqué est donc à prendre avec précaution.

Codage :

TD = Nomination à titre définitif
TP = Nomination à titre provisoire
P = Priorité
